Member ("Applicant(s)") hereby requests that Terrace Lakes Water Company (TLWC) provide water service. Applicant(s) agrees to pay for the service at the rate, at the time and in the manner required by the TLWC Bylaws and rate resolutions of the TLWC Board. Payment is due on the 20<sup>th</sup> day of each month. If not paid by the 20<sup>th</sup>, a late fee of \$10 will be applied to the account. The failure to receive a bill does not diminish or eliminate applicant's obligation to pay the rates for water when due. Should the water account for said premises not be paid on or before the 20<sup>th</sup> day of the month following the accrual thereof, the TLWC reserves the right to discontinue all water service for said premises.

Applicant(s) agrees that only a representative of TLWC be allowed to turn on or off any water service. The Applicant(s) further agrees to take no action to obstruct, cover meters, shut off devices or otherwise prevent the TLWC authorized representative from making records, readings, and inspections of the location, condition and sufficiency of pipes, fittings, valves, fixtures and appliances.

The Member shall install and maintain at his own expense a service line which shall begin at his property line and extend to the dwelling and/or building; the Member understands and is hereby informed that one (1) service line is for one (1) dwelling and/or building. Should the Member choose to supply service to additional dwellings and/or buildings on their (Member) property a separate meter and service line shall be required for *each* individual dwelling and/or building.

The TLWC Board shall have final jurisdiction in any question of location of any service line connection to its distribution system; shall determine the allocation of water to Members in the event of a water shortage; may shut off the water to a Member who allows a connection or extension to be made to/from his service line for the purpose of supplying water to another, to include but not limited to additional dwellings, users, and/or buildings.

**I (We) Agree to the written statement above and verify that all information given to the TLWC be true, to the best of my (our) knowledge. I (We) Agree to abide by the terms and conditions set by the TLWC and understand all information given regarding the provisions of water service.**
